Winterset (for adults)

Love to ski - but gas prices are getting you down? Hate to drive in the snow? Want to ski more often? Looking for fun people to ski with?

Then Winterset is for you! On Wednesdays in December, January, February and March, our deluxe chartered buses head for the slopes for a full day of skiing and snowboarding. Trips include transportation with complimentary coffee and pastries, all-day lift pass, optional instruction for beginners through experts, and guided tours of the ski areas. Everyone is welcome - from first-timers to experts. Year after year, Winterset members return because it's simply the easiest and most convenient way to enjoy the season. Eleven Sierra ski trips are scheduled for this season - sign up for as many as you like - the more you sign up for - the bigger the savings!

Special Travel Packages

Each year Winterset travels to famous destination resorts. This season we visit Steamboat, Colorado (Feb. 10-17) and Cortina, Italy (Mar. 16-24/Apr. 1). Winterset vacations are open to all skill levels - even non-skiers are welcome. You enjoy all the benefits of group travel - discounted rates, camaraderie, activities, guides - with the freedom of an individual trip. Winterset trips are an outstanding bargain.
